

RETRAX™

Retractable Pickup Bed Cover

Floor Display

The *RETRAX* free-standing floor display is fully functional.

The aluminum mock-up bed is attached to a pair of rectangular aluminum support legs that provide a sturdy base for this hi-tech mini *RETRAX*. The display stands 36" tall, 27.5" wide and 34.5" long. The display sign is constructed of 3/16" laminated foamcore; a brochure holder is attached with Velcro. Attached to the bed floor (under the cover) is a laminated poster that highlights the features and benefits of the *RETRAX* system.

This 70 lb. mini *RETRAX* will educate your customers and sell for you all day long. The purchase price is \$280 plus shipping. Please call our sales/service department for additional information.
